These lines should show who would have received the revenue if it had not gone to the authority, regardless of whether the property was subject to ad valorem or specific taxes. See "Normal flow of K-12 taxes" worksheet to help measure this.

Note: Amounts In Section G should include both ad valorem and specific (IFT, CFT, etc.) taxes. Do not put PA 198 and PA 255 taxes on a separate line; include specific taxes captured on the lines describing the jurisdictions from which they were captured.

H Number of Jobs Created Not Available

I Additional Information
The plan does not capture any school taxes.
